RE: Meeting Notice

A meeting of the Louisiana Soybean and Grain Research & Promotion Board has been scheduled as follows:

Tuesday, June 20, 2017
1:00 p.m.
Northeast Research Station
St. Joseph, LA

Immediately following the Northeast Research Station Field Day, we will conduct our regular business meeting. The field tours (see notice attached) will start at 9:00 a.m. In addition to seeing the researchers and the current projects conducted at the station, we will also review year-to-date collections, fund balances, future meeting dates and any other research topics. If you have any topics for consideration please forward them or contact me.

This is an excellent opportunity to see some of the research projects funded by the Board. In order that we can determine if there will be a quorum present, please respond by email to kylem@lfbf.org regarding your attendance. If you have any questions, contact me or Kyle McCann at 1-800-848-5232, ext. 6209.
